

AB Patterns Interactive Book

Instructions for putting together your book:

Print on Card Stock paper.

Each page has a top and bottom half. The top half of each page is the page for your book. The bottom half are the corresponding icons. To get the best use out of this book you will need; Velcro, laminating sheets and loose leaf rings (can be purchased at an office supply store).

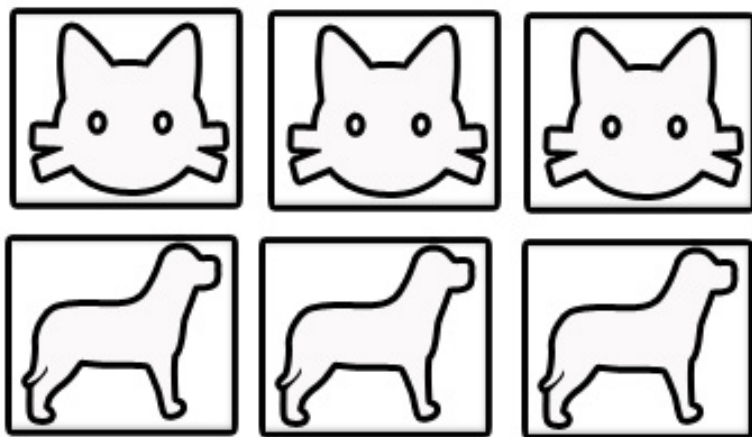

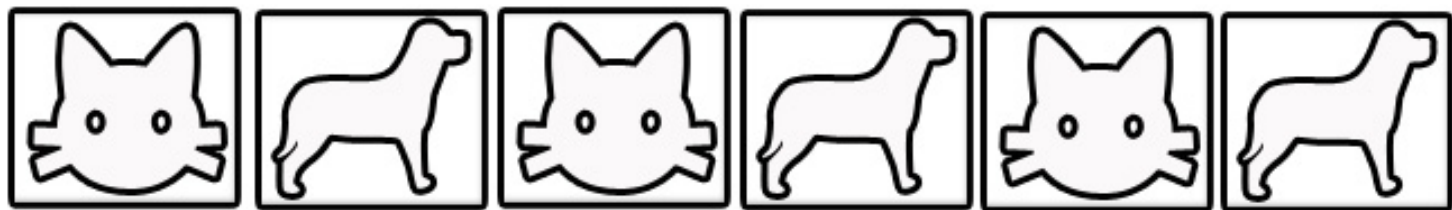

Cut out each page of the book and the corresponding icons. Using laminating sheets cover each page and icon. Cut the pages and icons out of the laminate.

Punch two holes out of the top of the book's pages. Insert the loose leaf rings to bind the book together.

Attach Velcro to each blank square on every page. Attach the opposing Velcro strip to each icon.

Use the blank back page to store extra icons. Place the Velcro on the blank page and stick extra icons there.

Copy the pattern.

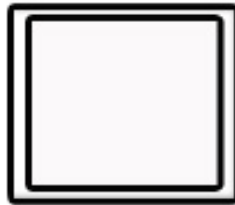

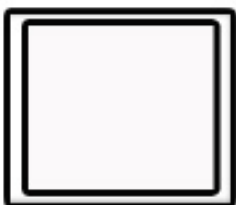

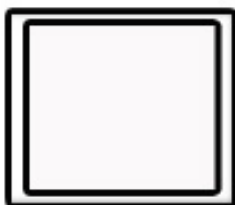

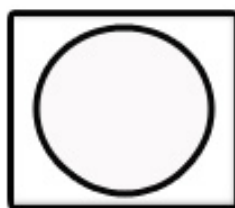

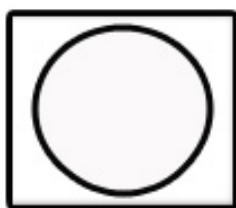

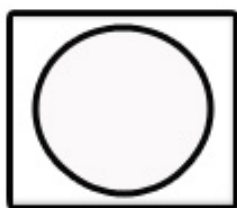

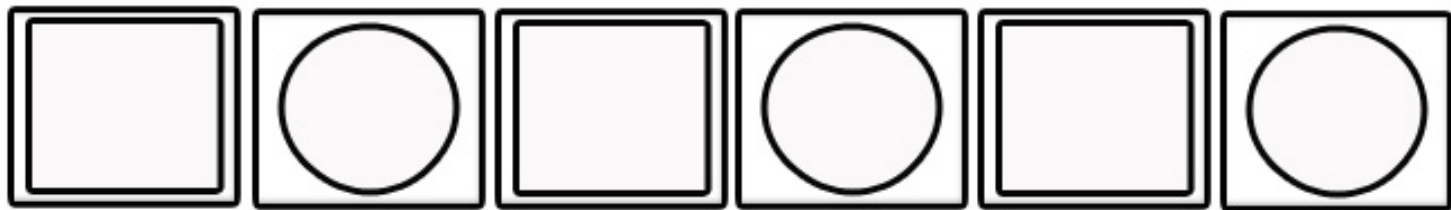

Instructions for parent:

Cut on the line above (seperating this page in half) The top half is the page of the book. Then cut each icon out on the bottom half of the page. Attach Velcro to the backs of each icon. Attach the other half of the velcro to each square in the blank pattern above.

Help your child copy the pattern using the icons.
